CHERRY Coffee, Arabic Coffee

Brand: CHANCHAMAYO HIGHLAND Coffee

We present Cherry Coffee with the aim of eliminating water contamination during the wet process and obtaining a different coffee, with a slightly sweet flavor, good body and intense aroma, the result of harvesting ripe cherry trees to dry them in the sun and store them in sacks. Jute for 7 months, so that the natural sweetness of the mucilage is absorbed by the grain, obtaining a sweet and very aromatic coffee.
